Sir,

Subject: Budget estimates for 1946-47 of
Chitaldrug Town Municipality
====

In forwarding herewith the budget estimates of Chitaldrug town Municipality for the year 1946=47, I have the honour to state as follows:

The Municipal Council expects to have an opening balance of Rs 14,691 at the commencement of the year It anticipates an income of Rs 1,10,067 and an expenditure of Rs 1,08,287/ and a closing balance of Rs 16,471

Receipts: A Municipal Rates and taxes

1) Octroi: Provision of Rs 20,000 may be retained as it is based on the revised estimates Income under Octroi is increasing year by year There is a good prospect of improving realisations under this head by levying octroi on sugar, cocoanuts jaggery, sheep and goats etc

The following items of income may be retained as these are based on the sanctioned estimate:

1	Taxes on buildings and lands	14,000
2	Taxes on vehicles	1,000
3	Taxes on professions and trades	1,200
4	Water tax	2,500
5	Lighting tax	2,500
6	Shop tax	1,800
7	Other taxes	800

During the time of my inspection of this office, it was observed that the collections under the above heads were steadily on the increase keeping pace with the increase in demand during recent years and there was a steady reduction in the arrears

A sum of Rs 14,603/ is shown as income under tolls and ferries This may be retained as this is the actual realisation during the sale of the right of collection toll C-2 Rs 10,000/- is provided under sale of land This may be retained as the available sites in Venkatesapur and Chennakesavapur extensions will be sold and the realisations will perhaps between more than this anticipated income

A sum of Rs 2,750 and Rs 4620/- provided under income from markets and slaughter houses respectively may be retained as these are the actual amounts realised in the annual sales

D Grants and contributions:

The Municipal Council anticipates an outright grant of Rs 10,000 from Govt for town improvements (as noted on, page 5 of the estimate) and removing the slums which are quite essential The provision made may be retained as the Municipal Council is capable of meeting moiety of the cost

E Miscellaneous

A sum of Rs 7,450/- is provided under 3 refunds and recoveries A sum of Rs 5,250/- was placed by the Municipality at the credit of the P W D for drainage works As the underground drainage scheme is proposed to be undertaken, this amount is refundable to the municipality A sum of Rs 2,000/- was credited to Revenue Deposit by the Municipality towards the cost of acquiring site No 38 But as the acquisition is dropped as per G O No 7520/M1 163-38-4 dated 29-9-40, this amount also is refundable to the Municipality The provision therefore might stand

F Public Debt

Rs 11,800 provided under this hedd may be retained as it is based on the actuals

The other items of receipts do not call for remarks and they may all be retained

Expenditure

A general Administration Municipal office

(a) Salary of establishment

A sum of Rs 5422/ is provided under this head as against the revised estimate of Rs 4313/ The increase in expendi-

is due to the following items

1) Goverrment in their order No L 8212-3 Ml 2?-45-4 dated 14-2-1946 were pleased to raise the status of this Municipality from II class to Ist class Consequently the scales of pay and strength of the establishment have been slightly increased

(2) The scale of the Chief Officer has been increased from 80-4-100 to 100-5-125 In view of the good ~~XXXX~~ services of the present Chief Officer Mr M Gurusiddiah,B A/ (Hon L L B , rendered during the past three years, the Municipal council has resolved at its meeting on 11-6-46 to give him the maximum pay of Rs 125/ in the new grade from 1-7-46 During the time of my inspection of the Municipal office, I observed that there was progress in every brand of work The collections had increased year to year inspite of increase in demand and the arrears gradually reduced and the income under Octroi had doubled during the course of these previous three years In these circumstances I therefore agree with the President of the Council in giving the maximum pay of Rs 125/- to the present Chief Officer This provision may be retained

(3) In view of the increase of work in the Municipality and the good work done by the present Head clerk,H Peer Sab, the council has resolved to give him Rs 50/ P M in grade 40-2-50 There is no higher scale of pay in this Municipality This clerk is already getting Rs 42/ in grade 40-2-?0 The provision at Rs 50/ P M provided by the council for this official may be retained as he is deserving of the encouragement recommended by the Council The scale of the fourth clerk is increased from Rs 20-1-25 to ?5-1-40 to keep this uniform with the scales of the other two clerks ~~in~~ in the Municipality A recommendation has also been made in this office letter No 742/ 43 dated 9-10-1?44 to increase the scales of all the

Municipal clerks in grade 20-1-25 from 20-1-25 to 25-1-40 The provision may be retained The provision for the entertainment of an other peon on Rs 10/ P M is also made This may be retained as it is felt very necessary to have an extra peon

D Public works

A sum of Rs 18000/ is provided under this head The provision may be retained as it is quite essential to remove the insanitary condition of the town

E Public Health and Sanitation

2) Conservency and sanitation

A provision of Rs 15792/ as detailed on page 12 and 13 of the budget as against Rs 15448/ of the sanctioned estimate is made Plague expedimic is breaking out almost every year The sanitation of this town needs to be improved urgently It is essential to increase the strength and scale of the conservency staff as resolved by the council The provision made may therefore be retained The existing proposed conservency staff is as follows,

It is seen from the above that the normal expenditure is within the normal income and the closing balance of the Municipality at the end of the year will be Rs 16,471/ Besides the Municipal Council has invested a sum of Rs 1741/ in Mysore Govt savings Bank account

I have recently inspected the Municipal office and observed progress of work in every branch Four new roads

have been opened, several surface drains repaired and several wells within the Municipal Limits have been deepened by removing silt An expenditure of Rs 25000/ has been incurred during 45-46 towards public works The Non official President Mr S Ranga Rao,B A has evinced keen interest in Municipal adminstration and the work of this Municipa ity can be said to be satisfactory

I request that sanction of Government may kindly be obtained to the budget estimates of the Municipality as per resolution of the Municipal Council

The Budget estimate and the connected statements are enclosed for favour of reference of Government

Borewells have no doubt been a success and plenty of water is tapped but distribution has to be improved considerably as the supply has been inadequate in a number of localities as water could be hardly be had for one hour a day

An estimate costing Rs 586550/ prepared by the Sanitary Engineer for under ground drainage scheme is under scrutiny by the Director of Public Health The Municipal Council has to make large provisions for these two most important items of work The Municipal Council has therefore been instructed to consider the question of levy of the General Water tax and Octroi on (1) Sugar (2)Coconuts fresh and (3) Joggery (4) Sheep and goats and (5) timber as per schedule II of the town Municipal Act 1933

D O No 29/46-47

CHITALDROOG

Dated 26th Oct 194 6.

3402

Dear Sir,

Subject:- Proposals for revision of Establishment of Chitaldrug Town Municipality

In continuation of my D O NO 16/46-47 dated 3-9-46, I desire to bring to your kind notice that the proposals contained in the proposition Statement, are only inconformity with the Budget Estimate sanctioned by Government for the year 1946-47 There are no new items proposed and the expenditure to be incurred by the Municipality will be with in the detailed provision of the sanctioned Budget

The Deputy Commissioner has in his reference NO A6 C 337-20/46-47 Dated 21-8-46, recommended to Government for according sanction to the revision of the Establishment The Chitaldrug Town has grown both in extent and population The income of the Municipality has almost doubled itself during the last 3 years and there is very substancial increase in the normal income itself Though there is appreciable increase in these respects, the conservancy staff remains the same It is therefof very necessary to increase the conservancy staff including the supervision staff, without which, there can be no effective and proper control over the working of conservancy system

The work of the Municipal Office has very much increased in volume and the menial Establishment is found to be most insufficient Provision has therefore been made for an additional peon The other proposals only refer to increase in scales of the existing Staff to bring the said

P T O

said scales in conformity with similar posts The Head Clerk, H Peer Sab has been recommended the Maximum salary of Rs 50/- P M in recognisation of his good services in the Municipality

The proposals made refer to permanent revision of the Establishment depending upon the urgent and absolute need of the Municipality The temporary allowances like Dearness allowances etc , do not in any way help the Municipality since, they are neither permanent nor bring any additional Staff for the increased work of the Municipality

The financial position of the Municipality is sufficiently sound as stated in the second para of this letter

Under these circumstances, I request you kindly to accord immediate sanction for the revision of Establishment proposed by this office and recommended by the Deputy Commissioner in his reference No A6 C 337-20/46-47 Dated 21-8-46

Thanking You,

Yours Sincerely
